APPLICATION FOR MEMBERSHIP

Club Website: www.derwent-mountaineering-club.co.uk
Club Secretary: secretary@derwent-mountaineering-club.co.uk

The Derwent Mountaineering Club (DMC) is based in Matlock, Derbyshire and welcomes prospective members. The club is actively involved in all mountain related activities and is affiliated to the British Mountaineering Council (BMC).

Applications for climbing membership of the DMC will be considered after attending 3 meets within a 3 month period as a prospective member. Prospective members are invited to participate at any of the club meets, being responsible for their own actions and involvement.

After 3 meets, prospective climbing members will be eligible for full membership.

Walking members will be invited to a walking meet prior to joining the club.

Prior to attending your first meet please complete the details below and sign that you have read and understood the following declaration and return to the Club Membership Secretary (either by email or post). Please visit the website or contact the secretary if you require additional information.

Declaration:

I wish to apply for membership of the Derwent Mountaineering Club and will attend three meets within a three month period as a climbing prospective member. After the three month period, I will be eligible for full membership. As a prospective walking member I will attend one walking meet prior to joining the club.

On acceptance of full membership the annual subscription of £28 (renewable the following October), will be presented to the Club Membership Secretary. Cheques should be made payable to 'Derwent Mountaineering Club'.

I am over 18 and I accept that mountaineering, hill walking and rock climbing are activities with a danger of personal injury or death, and I wish to participate in them voluntarily. I am aware that other members of the club that are perceived to be 'in charge', or even just leading a walk, are not necessarily qualified, do not need to be qualified, are not regarded by the club nor regard themselves as 'technical experts',
